### Lenco In Action.

[Watch video »](#)

Lenco Armored Vehicles is the Nation's leading designer and manufacturer of tactical armored security vehicles. Lenco Armored Trucks meet the needs of S.W.A.T., Homeland Security, Counter-Terrorism, Force Protection, Military Police, HAZMAT Team and Dignitary Protection applications. A growing number of high-profile U.S. agencies around the globe are using our armored vehicles for dangerous law enforcement and military operations such as close quarter battle engagements, citizen rescue and personnel/cargo delivery missions.

Our product line includes the Lenco BearCat Â®; the Lenco B.E.A.R.Â®; and the Lenco ProCatÂ® Crew Armored Transporter. These Ballistic Engineered Armored Response vehicles are constructed of certified hardened steel armor plate and approved multi-hit ballistic glass. Detailed ballistic specifications are available upon request. Vehicles are also equipped with blast fragmentation resistant floors, specially designed gunports, roof hatches with rotating turrets, gun mount platforms, gear storage and much more. All Lenco Armored Trucks are built on commercially available truck chassis' like Ford and Freightliner, to enable our users with OEM chassis service, parts availability and warranty support.

We invite you to explore our website and our vehicles, and hope that you will take the time to read our product reviews and reference pages. We look forward to working with your agency and answering any questions you may have.
